TOUR SUPPLIES

We can provide new drum heads on drumkit hires, as well as drum sticks, sets of guitar strings, and any other guitar/drum accessories in most of the major brands available. If you require any of these, please ask us to include them on your quote. We mainly stock Remo & Evans Drum Heads, Vic Firth Drum Sticks, and Ernie Ball Guitar Strings.

You can find a price guideline here: <http://www.deluxeaudio.com.au/toursupplies.asp>

Feel free to check out our guitar store as well! www.deluxeguitars.com.au

DELIVERY & CREW

We have a minimum charge of \$55 each way during daily business hours (*Mon – Fri / 10am – 6pm*) for delivery of backline equipment to the local Melbourne CBD. If you require equipment to be setup and packed down, we can do. Please give us as much details about the venue(s) so we can work out a quote for you. All deliveries must be organized well in advance, as we occasionally will be heavily booked and unable to supply labor at late notice.

A general guideline is \$88 each way for a full van-load of equipment, delivered during business hours, and collected the following day. After hour's collection can be organized, but expect to pay around \$220 to \$330 (inc GST) for hire of a van, two crew on a minimum 3-hour call, or 4-hour call after hours on weekends.

If you wish to have your backline setup, we can also cater for you here. General costs would be \$110 (inc GST) each way for a basic stage setup or pack down.

We also offer **Stage Technician** services starting from \$600+GST per show.

GEAR NOT LISTED???

Need some backline gear not listed on our inventory? Don't stress, just ask the question... We have many outlets to supply specific gear, and can handle all the running around involved. Please feel free to contact us in regards to quoting all of your backline needs.
